AMERICAN REVOLUTION BICENTENNIAL COMMISSION

The American Revolution Bicentennial Commission (ARBC), a Commission established by Congress to plan, encourage, develop, and coordinate the 200th anniversary of our Nation, is proud to announce the second in an annual series of Congressionally approved National Commemorative Medals to be struck by the U.S. Mint. There will be a commemorative medal as well as commemorative stamps issued each July 4th between 1972 and the focal year of the Bicentennial, 1976 and possibly thru 1983.

The first day of issue of this second medal will be July 4 1973. This will coincide with the first day of issue, postmarked from Boston, Massachusetts, of the 1973 set of Bicentennial Commemorative Stamps. The ARBC, the U.S. Mint and the U.S. Postal Service are coordinating their efforts to create a Philatelic-Numismatic Combination (PNC).

Orders are now being accepted for this PNC. Please use the enclosed order form card, inserting same in the enclosed return envelope.

The Commemorative Stamps will be in honor of the Boston Tea Party in 1773. The Commemorative Stamps will be of commemorative size (15/16" x 1-1/16"); this year there will be a unified block of four stamps which combine to complete a design, yet each stamp is a design entity. The Medal will be of bronze, approximately 1-1/2" in diameter. The obverse will feature portraits of Samuel Adams and Patrick Henry; the words American Revolution Bicentennial and the official symbol of the Bicentennial Commission will be inscribed. The reverse will depict events of historical significance related to the struggle for freedom in the early days of the Revolutionary Era.

The PNC price of \$5.00 includes an insured mailing fee. The maximum for each order card is three PNC's. Make check or money order payable to the American Revolution Bicentennial Commission. All order cards must be postmarked before July 31 1973. Orders will be filled starting July 5 1973. It may, however, be several months before your order is shipped.
